*SCIENTIFIC COMMITTEE*

Salamanca, July 19, 2010

Dr. Joaquín Lucena Romero

Presidente

Sociedad Española de Patología Forense

joaquin.lucena@gmail.com

Dear Dr. Lucena,

It is a pleasure for me, as the chairperson of the Scientific Committee of the Spanish Society of Pathology/Spanish Division of the International Academy of Pathology (SEAP-DEAIP), to write the present letter of support for the Spanish Society of Forensic Pathology (SEPAF). We have learned that SEPAF intends to become the candidate organizing scientific society of the 5th Biennial Meeting of the Association for European Cardiovascular Pathology (<http://anpat.unipd.it/aecvp/>). We strongly support SEPAF, a young and vibrant scientific society, because we are sure the scientific level of the meeting will be very high, and the meeting will become an exciting interchange of knowledge, which will also interest many members of SEAP-DEAIP. In addition, the venue proposed by SEPAF is the city of Cádiz in 2012. Spain celebrates in this particular year the bicentennial of our first Constitution, which was actually enacted in Cádiz.

We therefore strongly support the candidacy of the Spanish Society of Forensic Pathology (SEPAF) for the organization of the 5th Biennial Meeting of the Association for European Cardiovascular Pathology. A copy of this letter is being sent to the President and Headquarters of SEAP-DEAIP to ensure the appropriate dissemination of our support.

Thank you for sending us this outstanding proposal

Best personal regards,

Dr. Enrique de Alava  
President, Scientific Committee of SEAP-DEAIP
